*How can Israel's Arabs and Jews break down the barriers of mistrust and separation between them?*

Hand in Hand is an organization that is reshaping Jewish-Arab relations in Israel with a growing network of integrated schools and communities that bring thousands of Jews and Arabs together every day. With huge demand around the country, Hand in Hand is proving that living together is a viable option for all of Israeli society. Hand in Hand change-makers Mohamad Marzouk and Noa Yammer will explore both their personal journeys to this work, as well as the dilemmas and successes that come with building a shared and equal future for Arabs and Jews in Israel.
