These following courses satisfy the education requirements for the Ohio Director’s Credential awarded by OCCRRRA.

Visit http://occrrra.org/opdn_resources_ckc.php for more information about obtaining the credential.

**ECE 2070**  
Supervision and Organization of Early Care and Education Programs  
This course focuses on the supervision and organizational structure of staff in early care and education programs. Topics will include recruitment and orientation of new staff, staff development, reflective supervision and the development of systematic observation of staff to inform continuous improvement.

**ECE 2075**  
Operation of an ECE Program  
This course focuses on the business and operational aspects of an early care and education program. Topics will include business practices (budgeting, financial systems, and accounting practices), program evaluation, facilities management (including equipping the center) and strategic planning to meet the needs of families and the community.

**ECE 3035**  
Administration and Leadership in ECE  
This course provides an overview of the principles and characteristics of leadership and administration in the early care and education profession. Students will explore the importance of leadership skills, center administration, and working with families. Students will need access to preschool children and a center for an observational interview and assessment.
