</table>

*Students must meet with their co-op advisor within the first three weeks of the semester that precedes their first planned co-op semester. With prior approval of the academic and co-op advisors, students may take up to six credit hours of courses while on co-op. Students must complete and pass all coursework for S1 and S2 and have a minimum 2.5 GPA to be eligible to co-op.

**Science Electives must be from BIOL, CHEM, PHYS or GEO.

***General Education Electives must be from courses designated as Fine Arts, Historical Perspectives, Humanities and Literature, or Social Sciences. Each elective must represent a different area.

*Students in the Cybersecurity track must take IT2030 in the spring of their freshmen year (S2). All other students will take in their second year (S4)

+Cybersecurity track students take IT2030 Introduction to Criminal Justice and POL2035 Cybersecurity Strategy and Policy as their first two advisor approved electives.

**Students are considered undergraduate CCH students for the first four years of the program (S1 to S5 and C1 to C5), will become graduate students in the fifth year of the program (S5, S6, and S7), and will graduate with a Bachelor of Science in Information Technology and Master of Business Administration at the end of the Spring semester of the fifth year.

*****Not more than 50% of the MBA classes may be taken online.

******MBA Foundations classes should be taken before core classes in that discipline; core classes should be taken before electives in that discipline.

Students in the Bachelor of Science in Information Technology may use the prior learning assessment process (http://www.uc.edu/testing/services/pla.html) to receive advanced standing for a maximum of 4 semester IT courses for which they have prior experience. Please speak to the academic advisor or a faculty member before applying.
