Online Intervention Specialist Licensure Programs for Individuals Holding Current Ohio Teaching Licenses

The University of Cincinnati Special Education Program provides online opportunities for individuals who hold current Ohio teaching licenses and who are seeking an Intervention Specialist – Mild/Moderate license. These opportunities include:

- Online full time study outside of a graduate degree, allowing individuals to complete the program in three semesters.
- Online part-time study outside of a graduate degree, allowing individuals to complete the program at their own pace.
- Full time study with M. Ed., with licensure and master courses online, allowing individuals to complete the license and M. Ed. in 6 semesters.
- Part time study with M. Ed., with licensure and master courses online, allowing individuals to complete the program at their own pace.

Because of the special considerations of online instruction, each of these formats requires an application. Those which include an M. Ed. also require independent application and admission to the graduate program. Information on the M.Ed. may be found online at http://www.grad.uc.edu/applyonline.aspx or by emailing teachered.grad@uc.edu. The M.Ed. application may be accessed and submitted online at http://www.grad.uc.edu/.

The application packet for the licensure program for individuals who hold a current Ohio license is attached, as is the advising sheet. For more information please email wendy.riordan@uc.edu.

A significant part of the Intervention Specialist Licensure program is the on-site internship you will complete during one academic semester. In many cases, teachers can complete the internship in their current teaching position; however, if you are not currently teaching in an appropriate setting, we will need to find a placement for you. Students placed by UC will enter a 12 week (depending on the semester during which the internship is completed) full-day field experience with a licensed Intervention Specialist at full graduate tuition rates.

Please describe your current teaching position (if applicable). If you will need UC to provide placement, please indicate so in the space below:

Good Moral Character and Conduct

The State of Ohio requires affirmation of the moral character and conduct of education licensure candidates. Both a Bureau of Criminal Investigation and a Federal Bureau of Investigation report are a required part of the licensure paperwork process. The College of Education, Criminal Justice, and Human Services (CECH), therefore, is informing you of this requirement. This signed statement must become part of each licensure candidate’s record before the candidate may begin a licensure program and before being placed for field practica and internships.

Verification of Good Moral Conduct

1. Have you ever been convicted of, found guilty of, or pled guilty to any misdemeanor other than a traffic offense?  
   Yes___________ No____________

2. Have you ever been convicted of, found guilty of, or pled guilty to any felony?  
   Yes___________ No____________

3. Have you ever had a criminal record sealed or expunged?  
   Yes___________ No____________

4. Have you ever had a teaching certificate limited, suspended, or revoked?  
   Yes___________ No____________

5. Have you ever surrendered a teaching certificate, license, or permit?  
   Yes___________ No____________

If NO to all of the above, check this box ☐, read the following paragraph, and sign below.

I hereby declare that I possess a good moral character and that I have not pled guilty to, or been convicted of any misdemeanor (other than traffic offenses), any felony, any violation of Section 2907.04 (corruption of a minor), of Section 2907.06 (sexual imposition), or Division (a) or (c) of Section 2907.07 (importuning) of the Ohio Revised Code, any offense, or drug abuse offense that is not a minor misdemeanor, or any substantively comparable ordinance of a municipal corporation or of any other state.

If YES to any of the above, check this box ☐, attach an explanation to this form, and sign below.

In view of your past conduct, you may not be placed in a school until your record has been expunged. Further, acceptance into and completion of a licensure and internship program does not guarantee that the State of Ohio will issue you a license or that a school district will hire you.

CECH requires all licensure candidates to complete Bureau of Criminal Identification and Investigation (BCI) and Federal Bureau of Investigation (FBI) background checks as part of the licensure paperwork and field placement process. (Instructions for completion of BCI and FBI background checks are included.

An applicant who has pled guilty to, or has been convicted of, any offense has the right to have an application for licensure considered by the State Board of Education, provided said individual meets the conditions specified in Rule 3301-23-23 of the Administrative Code.

I hereby have been notified and affirm my understanding of this rule.

Instructions for Fingerprinting for Bureau of Criminal Investigations Civilian Background Check

The state of Ohio requires affirmation of the moral character and conduct of education students. A criminal background check is a required part of the application process for cohort and licensure. The College of Education, Criminal Justice, and Human Services (CECH), therefore, is informing you of this requirement.

As part of the cohort and internship selection process, all students in the Early Childhood, Middle Childhood, Secondary and Special Education programs must have a background check done immediately.

Students must show their ID at the University of Cincinnati Public Safety office located in Three Edwards Center, Monday-Friday between the hours of 10 a.m. and 3 p.m. They will be asked to complete and sign a release form.

The cost for a BCI check (state of Ohio) at the University of Cincinnati Public Safety office is $25. The cost for an FBI check (national) is $34. Students who have not lived in the state of Ohio continuously for the past 5 years must have both background checks done. Students can pay for both ($59) in cash or by personal check, made payable to University of Cincinnati. Electronic reports are available in three to five days.

Students may choose another location to complete their electronic fingerprints from any of the official locations listed by county at: http://www.webcheck.ag.state.oh.us/webcheckcommunity.htm.

It is the responsibility of the student to submit a copy of their BCI report to the Student Services Center, One Edwards Center, Suite 1110.
