

CECH Inclusive Excellence Weekly Update

National Hispanic Heritage Month

- National Hispanic Heritage Month is celebrated from September 15th through October 15th. This date was chosen as the starting point because it marks the anniversary of Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua earning independence from Spain in 1821. Mexico, Chile, and Belize became independent on the 16th, 18th, and 21st from Spain and the United Kingdom, respectively.
- National Hispanic Heritage Month pays tribute to the generations of Hispanic Americans who have positively influenced and enriched our nation and society.
