SCHOOL OF INFORMATION
TECHNOLOGY

Be the
CHANGE

Be **EMPOWERED**

There is a world of endless possibilities in the realm of Information Technology.

You are looking to be apart of a growing industry that is always on the verge of developing the next “big thing”. Information Technology bridges the gap between technology, people and information with solutions that service their needs. Almost every industry needs Information Technology professionals. You want to use technology to discover solutions to real-world problems.

You want hands-on experience in the classroom and access to knowledgeable and qualified faculty. Look no further. The School of Information Technology will prepare you for success with real-world experiences that enable you to **EMPOWER** others.

UC has over

46,000 Total Enrollment

17:1 Student - Faculty Ratio

The School of Information Technology

offers a Bachelor of Science, Masters, and PhD in **Information Technology**. Our ABET-accredited program prepares students for careers in Cybersecurity, Networking/ Systems, Software Application Development, Game Development and Simulation, and Data Technologies. This five-year Co-Op program gives students professional work experience while still in school with big name companies like Worldpay from FIS, Anthem, Cincinnati Insurance Companies, Western & Southern Financial group, Brooksource, CBTS, Marathon!

Earn a Bachelor's degree in Information Technology, a Master's degree and 20 months of paid work experience in as little as five years through our Accelerated Program.

Be YOU

You want to be at a campus where you belong and feel a part of a community.

Be a part of a campus, and community, where you can explore the many facets of your selected discipline. Some of this exploration will come through joining a club or organization to increase your network potential and make new friends. Maybe you will want to study abroad or seek international opportunities.

Be IMPACTFUL

Our expansion to the community. The School of Information Technology (SoIT) partners with public and private organizations across the state with unique and innovative initiatives.

The **Early IT Program** gives high school students the opportunity to complete the first year of IT courses that will apply towards the BSIT program. Upon successful completion, these students will receive automatic admission to BSIT program.

The **Ohio Cyber Range** is a partnership between faculty and staff within the School and the State of Ohio officials to create an infrastructure that support the state defense systems against cybersecurity crimes with the assistance of our students.

Over
1,700
UC students **studied abroad**
in more than
60
countries
(2018-2019)

Be Experienced

Imagine yourself learning here. We know that education isn't always found in the classroom. This is why we provide our students a wide array of opportunities to gain real-world experiences. Not only will our students experience co-op opportunities and have the option of joining one of our IT related clubs and organizations, we also have Centers and Institutes where our students gain additional experience gain additional experiences through partnerships with faculty and staff.

IT Solutions Center: Our students solve real life problems through developing and supporting innovative IT solutions.

IT Learning Center: We have faculty and Teaching Assistants (TA's) ready and willing to help you succeed by offering support for all Information Technology students.

Be INVOLVED

We offer over **400 student organizations** and clubs that support a variety of interests. There are IT specific organizations that are tailored to your major. **You're certain to find your niche.**
