Be the CHANGE
Everywhere you turn, you see an opportunity to change lives by educating others on ways to adopt healthy lifestyles and choices. Whether it’s working with companies to help their employees live healthier lifestyles or working for the government to implement new health related policies and programs needed for communities throughout the country; you will be able to make a positive impact on the world. Our Bachelor of Science in Public Health speaks to you. It is a degree program you’ve been looking for that will allow you to be the health advocate you hope to be.

You are looking for an educational experience that will not only prepare you for success, but provide you with real-world experiences that will enable you to empower others.

The Public Health program is designed to prepare you to be a health educator where you will have the option of working with organizations, communities or individuals. Our program offers a concentration in Health Promotion and Education where you can select the population of your choice, which will influence the career you wish pursue!

Our graduates are eligible to sit for the national certification exam to become a Certified Health Education Specialist (CHES).

You want to be at a campus where you belong and feel a part of a community.

Be a part of a campus, and community, where you can explore the many facets of your selected discipline. Some of this exploration will come through joining a club or organization to increase your network potential and make new friends. Maybe you will want to study abroad or seek international opportunities.

Be IMPACTFUL

We know that education isn’t always found in the classroom. In our program, you will also receive hands-on work experience as our students are required to complete 400 internship hours. Our students will be able to choose from over 80 approved regional opportunities or find their own experience, nationally or internationally.

Here are some of the organizations where our students have received internship opportunities: American Health Association, TriHealth, Hamilton County Public Health, Cincinnati Children’s Hospital Medical Center, American Heart Association and Proctor and Gamble, TO NAME A FEW!
Over 1,700 students studied abroad in more than 60 countries (2018-2019)

Be INSPIRED

UC offers a variety of programs abroad that last for one week to an entire year. Students are encouraged to travel the world to gain different perspectives from other countries on how health education is implemented. Some of the countries where our students have traveled include:

Imagine studying here:

Europe  >>  Japan  >>  Netherlands  >>  South Korea

Studying abroad is more affordable than you think! There are a multitude of opportunities to use UC financial aid and scholarships to make this dream become a reality.

Be INVOLVED

We offer over 400 student organizations and clubs that support a variety of interests, but there are education specific organizations that are related to your major. You’re certain to find your niche.

Our campus visit experiences are designed to answer all of your questions. Select the visit that meets your needs (registration required).

Daily Options

College Close-up and Preview UC

To get the most from your campus visit, register for a UC Preview, in addition to a College Close-Up (a visit with the academic college that interests you). This option provides a visit focused on admissions, academics, and a tour of our beautiful campus. Determine the best date that corresponds with your intended major at: admissions.uc.edu/visit

Open Houses

Open Houses give you an overview of admissions, financial aid information, academics, and student life. This also includes a campus tour.

Virtual Tour

Nothing beats an in-person tour of our beautiful campus, but our immersive virtual tour is the next best thing. >> Take a virtual tour: uc.edu/visit/virtualtour

Bearcat for a Day

Bearcat for a Day is designed to give attendees a closer, in-depth look at a “day in the life” of a UC student. You will be able to get advice from current students, attend a class, explore the campus, visit dorms, and learn about campus resources. >> Sign up at: cech.uc.edu/future
