Ohio Educator Preparation Provider Performance Report University of Cincinnati

Ohio Principal Evaluation System (OPES) Results for Individuals Completing Principal Preparation Programs at University of Cincinnati

Reporting period from September 1, 2023 to August 31, 2024.
(Data Source: State Board of Education)

Description of Data:

Ohio's system for evaluating principals (Ohio's Principal Evaluation System) provides building leaders with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement.

The Ohio Principal Evaluation System (OPES) data reported here are limited in that the information in the report is for those individuals receiving their licenses within the previous four effective years.

An apparent dip in evaluations for the most recent "Initial License Effective Year" cohort comes from the perception that any given year's evaluation results are actually a chronological view of evaluations. Rather, it's a view of the evaluations from that school year, showing four different cohorts of licensed educators. The most recently licensed cohort will eventually have more evaluation results in its second year as more educators find employment as teachers or principals.
