

Outstanding Student Teacher Mentor Award 2023

Instructions

“A mentor is someone who allows you to see the hope inside yourself. A mentor is someone who allows you to know that no matter how dark the night, in the morning joy will come. A mentor is someone who allows you to see the higher part of yourself when sometimes it becomes hidden to your own view. I don’t think anybody makes it in the world without some form of mentorship. And we are all mentors to people, even when we don’t know it.” *Oprah Winfrey about mentors (her mentor, Mary Duncan, 4th grade teacher)*

In the preparation of student teachers, no practice is more critical than a solid mentorship with a skilled teacher. An effective mentor is a teacher who is committed to the profession, displays a contagious enthusiasm for teaching, is adept at dealing with colleagues, has a painstaking thoroughness in planning, models good communication skills with colleagues and students, and demonstrates an overall effectiveness as a classroom teacher.

Mount St. Joseph University, Northern Kentucky University, St. Thomas More University, the University of Cincinnati, and Xavier University appreciate the critical role that mentors play in the transformation of student teachers into licensed teachers.
